

Foundations of LGBTI Inclusion

**Develop a foundational understanding of
LGBTI inclusion in the workplace.**

The Foundations of LGBTI Inclusion training is a half-day (4 hour) introductory workshop providing participants an overview of the knowledge needed to understand the importance of LGBTI inclusivity in their workplace.

Covering topics such as gender diversity, inclusive language and anti-discrimination laws, we will look at key areas of focus for increasing awareness and cultural sensitivity, creating a safe and inclusive environment and where to access further resources and support.

To express interest about training in your workplace for 2021, please contact samesh-enquiries@samesh.org.au
