

## 2025 Courses

# Cervical Screening Provider Course

**Develop the confidence and skills to provide cervical screening. This interactive course will cover the theoretical knowledge and clinical skills necessary to become a Cervical Screening Provider.**

Our Cervical Screening Provider course includes an online learning module and short assessment and face-to-face workshop followed by clinical training.

### Theory Component

The theory component includes an online learning module and a full day face-to-face workshop. The workshop covers National Cervical Screening Program guidelines, consultation, opportunistic STI testing and clinical skills development with a Sexual Health Teaching Associate.

### Clinical Component

To be approved as a Cervical Screening Provider you will need to complete both the theory and clinical component. The clinical component involves the development and successful assessment of clinical skills and competencies. This includes a minimum of five unassisted clinician collected cervical screening tests under the supervision of a Cervical Screening Preceptor and recommendation for approval as a Cervical Screening Provider by your Preceptor.

This can occur either through clinical placement at SHINE SA (limited places) or with a SHINE SA approved Preceptor in your workplace.

**COST:** Theory Component: **\$770** | Theory and Clinical Component at SHINE SA: **\$1100** | Theory Component and Clinical Component in your own workplace with a SHINE SA Approved Cervical Screening Preceptor: **\$870**

**WHERE:** SHINE SA, 64c Woodville Road, Woodville

**DATES:** 18 February | 30 April | 6 August | 21 October **TIME:** 9:15 am – 5:00 pm
