

Foundations of LGBTIQ+ Inclusion

The Foundations of LGBTIQ+ Inclusion training is a full-day workshop that gives participants an overview of the knowledge needed to create an inclusive workplace.

It will support participants to better understand LGBTIQ+ communities, use inclusive and respectful language and access further resources and support.

This course covers topics such as exploring the diversity of the LGBTIQ+ communities, the impact of discrimination, and various options on how organisations can begin implementing inclusive practice.

To express interest in training for your workplace, please visit the website.
