

## Let's Talk About Sexual Health: Youth Focus

The Let's Talk About Sexual Health: Youth Focus is a 2-day course that provides workers with an opportunity to build their knowledge and confidence around relationships and sexual health. A safe and engaging learning environment is created through the use of discussions and activities, ensuring the content is relevant to the contexts of our participants.

### On completion of the course you will have:

- the confidence to work with clients around relationships and sexual health
- an understanding of how values and beliefs may influence your practice and your clients' responses to relationships and sexual health
- accurate and inclusive vocabulary about sexual health, gender, sexuality, anatomy, and relationships to use when working with your clients
- practical skills and knowledge to support clients with relationships and sexual health
- exposure to resources and ideas on how to use them effectively with clients to learn about relationships and sexual health.
