

STI & BBV Workshop for Nurses and Midwives

Our 3-hour interactive workshop has been designed for people wanting to further their understanding of STIs and BBV information.

The workshop will include discussion of up-to-date research, the clinical presentations of STIs and BBVs, testing, treatment, management and more.

Participants will cover:

- clinical presentation of STIs and BBVs
- taking a sexual health history
- consultation and counselling
- how and when to test
- routine screening in priority populations
- treatment and management of STIs and BBVs
- partner notification and notifiable infections
