

# Introduction to Working with Trans and Gender Diverse People Online Course

This online course has been developed to support people in their understanding of gender diversity. It will cover key concepts and terms related to gender diversity and provide an introduction to supporting trans and gender diverse people.

## In this course you will cover:

- an introduction to gender diversity
- the terms, language and differences between orientation, intersex status, gender identity and expression
- trans and gender diverse experiences including the impacts of discrimination and phobia
- gender affirmation and guidance in supporting trans and gender diverse people

## On completion of this course, you will:

- have a deeper understanding of gender diversity and gender affirmation
- be able to demonstrate an understanding around the needs of trans and gender diverse people and clients

**COST:** FREE until October 31 for workers in a healthcare setting

**DATES:** This online course is self-paced and accessible at all times.
