

STIs in South Australia Sexual Health Update

Where: Rydges South Park, Kaurua Country
When: Saturday 25 March 2023
9:00 am - 3:00 pm
Cost: FREE (includes lunch and morning tea)

SHINE SA's Sexual Health Update for health professionals will provide a diverse and practical update on sexually transmitted infections in South Australia and sexual health broadly.

Our expert presenters include SHINE SA's Dr Amy Moten, Dr Hannah Sexton, Dr Nicola Chynoweth, Dr Tessa Moody and Sexual Health Physician Dr Danae Kent. Also presenting, Adelaide Sexual Health Centre Sexual Health Physician Dr Carole Khaw. In addition to this panel, the update will feature presentations from community educators and a lived experience speaker.

We will cover updates to PID, mycoplasma, PrEP, PEP and syphilis. We will also explore sexual health history taking, gender affirming medication and sexual health implications for Aboriginal communities.
